EVOLVE YOUR PRACTICE

Hey there guys, we've got an action packed future coming up together.

And the first thing I am going to ask you to do, is save the following times to your calendars, wherever you might keep them.

Apart from the rare exception, these sessions are going to stick to a fairly consistent schedule.

And just remember, if you do miss one of the classes, you can easily view it again later at a time that suits.

Our Intro Class Kicks off Friday 10 April @ 10am (New Zealand Time)

Live Treatment Screenings (LTS)

Every second Tuesday @ 10am (New Zealand Time)

Starting Tues 14 April 2020

ConTact C.A.R.E Spotlight (CCS)

Ask Me Anything (AMA)
